work

dwdo

Chicago, Illinois

Partner/Designer, 2014-Present

dwdo's work supplements dwdw's interior design with objects and interior installation that are closely knit with the concept. Additionally, dwdo pursues clients and projects independently in a variety of disciplines such as product development, management, visual design, material exploration and experimentation.

dwdw

Chicago, Illinois

Designer, 2013-Present

dwdw is a boutique residential and commercial interior design firm. An open culture collaborative studio where all members are involved in each step of the design process. Main responsibilities focus on commercial developments dealing with overall concept and design, visualizations, materials, client and vendor communication, on site design, drawings, and project management.

School of the Art Institute of Chicago

Chicago, Illinois

Instructor, 2014-Present

DESOB 2017 Rendering and Visualization. A spring semester laboratory style course with the objective to build within students a critical eye for the perception of objects and how to present their design process in an effective manner.

DESOB 4110 Portfolio Development Seminar. A fall semester course focused on the advancement of each students portfolio design to convey individual design skills, experience, and interests.

Instructor, Winter 2013

Co-Instructor for CNC Integrated Fabrication, an introductory CNC practices course for students of all backgrounds and levels.

Still, LLC

Chicago, Illinois

Consulting Designer/Interim Operations Officer, 2013

Brought on as a design consultant for a small hospitality project. Position shifted to managing all current projects from design stage through production while assisting in ownership transition.

Wrigley

Chicago, Illinois
